

## Insurance Coverage Information:

Insurance requirements vary based on your booth type and build method.

### Booth Packages/Turnkeys, Meeting Pods, Meeting Cubes, and Kiosks:

- HLTH provides required general liability insurance through our official vendor, Rainprotection. You will get sent a copy of your coverage before the show.
- No Certificate of Insurance (COI) required.
- Applies only to these exhibitors contracted directly with HLTH and T3 Expo and not using outside contractors.

### 10x20 Space-Only Booths (with Pre-Fixed Backwall):

- If self-building or using a pop-up wall, HLTH provides required liability coverage.
- If using an Exhibitor Appointed Contractor (EAC) not working directly with T3 Expo, the EAC must provide a COI, following the insurance requirements [HERE](#).
- No floor access will be granted without proof of required coverage.

### 20x20 & Larger Custom/Raw Space Booths:

- If using an Exhibitor Appointed Contractor (EAC) not working directly with T3 Expo, the EAC must provide a COI.
- Insurance must be active from first day of move-in through final move-out.
- No access to the exhibit floor without proof of required coverage.
- Required coverage must:
  - Be issued by an insurer in good standing.
  - Meet minimum limits outlined on the insurance requirements [HERE](#).
  - Include Commercial General Liability, including Contractual Liability and Product Liability (if applicable).
